- Visit the museum and bring your guests. Bring a kid and see us with a fresh eye!
- Support artifact restoration, education, and daily operations with your dues.
- Share your knowledge of history; jot down your memories to share with visitors.
- Volunteer in admissions, maintenance work, office, or guiding visitors

**Additional board members are needed for 2-year terms.** If you like history and want to help direct the Museum, *or if you can recommend someone for this position*, check the box below or telephone Carol at 218-254-2179 for more information. Retired miners, those with computer or writing skills, or who can repair old things bring valuable talents to our museum and board.
